

Game experience can't be taught, it is gained from participation. Therefore, the Waldorf College women's soccer team is committed to assisting youth club and high school teams in an effort to improve their game play and ready them for their upcoming club or high school season.

The team camp will consist of 60-minute, round-robin style daily games against other club and high school squads with members of the Waldorf College soccer team as their coaches, residence hall monitors, and team leaders. The teams will be bracketed, and at the conclusion of camp, championship and final round games will be played. Included in the \$235 fee are daily buffet-style meals, housing in the residence halls, one hour per day to work out in the wellness center, video and lecture sessions, referees, team-bonding experiences, and in the evenings, players will have an opportunity to compete in fun scrimmages with the coaches.

The registration deadline for team camp is June 30, and teams will be accepted on a first-come, first-served basis. The minimum number of players per team roster is 11 with a maximum of 4 guest players per team. All players must be high school or club eligible through U19. Upon receipt of registration and fees, additional information packets and final roster forms will be sent to the designated team contact.
