Waldorf College  
106 South 6<sup>th</sup> Street  
Forest City, IA 50436  
Attention: Women's Soccer

Dear Soccer Coach:

Waldorf College is proud to announce its first annual resident team camp from Sunday, July 15 through Friday, July 20. This is not an individual camp but rather it is for high school or club teams that are looking to enhance their game play and be ready for the upcoming club or high school seasons.

There will be some instruction, however, the main focus of the camp will be to provide game experience for each team and coaching feedback at the conclusion of the games. In order to comply with high school association regulations, registered teams will be coached by members of the Waldorf College men's and women's program. The Waldorf College players will also be responsible for residence hall monitoring, team interaction and bonding activities, game feedback, and contribution to the video sessions.

All registered teams will be provided with buffet-style meals in the college cafeteria, one hour daily in the wellness center, a t-shirt uniform for games, and double-room housing in the residence halls.

This is an invaluable learning experience for players to improve their play **on a team level**. Please get your teams together and register before the deadline of June 30. Registration forms may be downloaded on these camp links.

If you do not have a full squad of 11, you may have up to 4 guest players (see criteria on website). We will require at least one person be the contact for each team who will collect the fees and liability forms and return them with a completed registration sheet. This can be a parent/s if you are unable to organize your team for registration, and it will require no additional duties or responsibilities.

If you should have any further questions, please don't hesitate to contact me. I look forward to seeing your team in July!

Sincerely,

Cindy Chartrand  
Head Women's Soccer Coach
