

Petition for Graduation

Graduation and commencement are not one and the same. Graduation means that your degree has been conferred. Commencement is the ceremony that celebrates the achievement of earning your degree. Participation in Commencement does not imply, or assure degree conferral. Degrees are conferred when all requirements, including financial, have been met.

To graduate from Waldorf College the following requirements must be met:

- Have completed all degree requirements.
- Met all financial obligations to the institution.
- Have all official transcripts on file at Waldorf.
- Applied for a graduation audit.

To apply for a Graduation Audit, complete the Petition for Graduation Form below. If you have questions about the graduation audit, please email assistant.registrar@waldorf.edu, or call 877-267-2157.
