V. Approval of Accommodations:

I understand that completing this form is only the initial step in the accommodation process. As a registered student in an online course(s) at Waldorf University, I understand I will need to communicate with the Disabilities Specialist to discuss appropriate accommodations and that these accommodations will need to be reviewed each online term to check legal aspects and to develop letters to the faculty disclosing accommodation requirements. I understand that degree program requirements cannot be altered and academic standards will not be lowered.

I also understand that I am my own advocate. It is my responsibility to request accommodations and to remind instructors of my accommodations letter from the Disabilities Specialist if needed.

It is my responsibility to report any concerns/problems I may have regarding accommodations to the Disabilities Specialist at Waldorf University. Grievance policy information is available from the Academic Achievement Center.

Documentation of my disability must be provided to the Disabilities Specialist in a timely matter before accommodations can be provided. I realize that I may need to obtain additional documentation if I submit documentation that lacks certain required attributes and that some accommodations may not be able to be granted until the required documentation is obtained.

I understand upon transferring to another educational institution. It is my responsibility to consult with the transfer institution regarding their documentation requirements and it is my responsibility to obtain additional documentation the transfer institution might request.

I affirm that the information contained in this form is true and accurate to the best of my knowledge. If any information changes, I will notify the Disabilities Specialist immediately.
