WHAT TO WEAR

Ladies

Long dresses or skirts that fit well are always appropriate. Suits are always a great idea!

Gentlemen

Dress pants with a belt and a button down shirt with a tie look smart. Suits are always a great idea too!

- Everything should be clean and neatly pressed.
- Wear good looking, polished shoes that allow you to move easily.
- Hair should be groomed neatly away from your face.
- Jewelry is best if it compliments you and your outfit; don't let it be the focus.
- Keep it interesting! Classy doesn't have to be boring.
